MEMORANDUM FOR: Comptroller

FROM : Acting Chief, Technical Accounting Staff,
Office of the Comptroller

SUBJECT : Employees' Compensation Benefits - Medical Benefits
for Dependents

REFERENCE : Book Dispatch No. 184, dated 13 February 1957, to
Chiefs of Station and Base, from Director of Personnel

1. Pursuant to your request we have reviewed the reference book dispatch and submit the following comments:

a. Under date of 2 November 1956, proposed [REDACTED] Medical Benefits for Dependents, were submitted to this Office by the Office of Personnel for comment and concurrence. In our reply, dated 7 November 1956, we indicated concurrence in the notices with a few minor changes suggested.

b. The reference dispatch is almost verbatim to the proposed [REDACTED] except for the provisions in the dispatch concerning Form No. 1126, Claim for Dependent Medical Care. At the time the proposed notices were being considered a form of claim had not been developed.

25X1A

2. It may be with experience that Form No. 1126 might require modification, as it is noted that it is not in such form as to serve as a payment document as well as a claim form from the employee.

3. We have no objection to the reference book dispatch pending the development of regulations on this subject, at which time the desirability of modifying the claim form, as mentioned above, can be given consideration.
